This past summer a group went to the American Players Theater for a Sunday evening performance in Spring Green. They also toured the building and viewed costumes and play properties.

In September the group visited the Bennett Museum and went on the Upper Dells Boat Trip at Wisconsin Dells. On the return they visited the Circus World Library and Museum.

A group visited SC Johnson and the Racine Art Museum in March.

A visit to campus new buildings for Education, Nursing and Human Ecology is scheduled for June along with a tour of Epic.

In July a tour of a vegetable farm near Green Lake and a dairy farm near Rosendale is scheduled.
